

Please take part in our Easy & Ongoing Fundraising Opportunity

B'nai Shalom of Olney is participating in the QwikShower fundraiser. Please take a look at the information below as well as www.QwikShower.com to participate in this valuable and simple fundraiser. We think you'll like it.

Read On from the QwikShower family...

Your Kids Stink. How do I know? Because my kids stink. I have 3 active sons and often end up with 6 or 7 boys jammed in my car. They stink because they don't take showers after gym class or practice.

QwikShower: *The easy, green and affordable solution*

Easy: QwikShower gym class wipes are large (10" x 12") moistened, single-use, single pack, disposable towels. They even have a scent that's been well received by teenagers. (Yes, we tested them.)

Green: Unlike popular body sprays such as Axe, QwikShower wipes are non-aerosol—so there are no fluorocarbon emissions. That also means the scent won't invade everyone else's personal space or overwhelm a locker room.

Affordable: You can purchase QwikShower wipes online for as little as 20 cents each. And shipping is always free.

OK, you get it. So how does the fundraising piece work?

When you buy QwikShower online and designate our group as the participating organization, our group will receive 5% of the purchase price in a monthly check.

www.QwikShower.com is a small, community based, family owned business originating at Sherwood High School in Olney, MD. Read more about us online at www.QwikShower.com
